

BEECHWORTH
WINDOWS

A FIBERGLASS INTERIOR

Enhance your view with the Beechworth Double-Hung Window

Fiberglass Interior Benefits

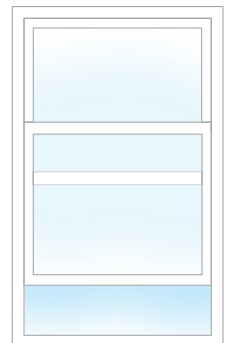

- Slim contemporary profile allows **more daylight** into your home
- **Clean look** with integrated tilt latches
- **Long term durability** with moisture, condensation and weather resistance

THE ONLY WINDOW
YOU WILL EVER NEED.™

FOR WINDOWS THAT LAST LONGER

Fiberglass windows last longer than vinyl alternatives. This all fiberglass window won't warp, expand or contract like other materials – helping prevent the intrusion of moisture, draft and noise.
